On-site service call outside the general service area	**$20**

General service area: Marshfield, Strafford, and Springfield, Missouri. The $20 on-site fee applies to locations outside the general service area.

CUSTOMER POLICIES

• **Custom builds:** Payment in full is required before parts are ordered and the build begins.

• **Parts for repairs and upgrades:** Parts will be listed on the estimate or consultation and must be paid for when service is completed, unless otherwise stated in the written quote.

• **Repair approval:** Customer approval is required before additional repair work begins.

• **Consultation credit:** The consultation fee is applied toward the repair or upgrade when the customer approves and proceeds with the recommended service.

• **Written estimates:** A written estimate is provided before work beyond the approved diagnostic or consultation is performed.

• **Travel:** The on-site service fee applies only to locations outside the general service area.

PRICING NOTE Prices shown are proposed labor rates and are not a binding quote. Final pricing may vary based on system condition, complexity, compatibility, parts availability, and approved scope. CORE PC will confirm the total in writing before work begins.
